The Preliminary Administrative Services Credential Program is a graduate program designed for persons who wish to hold an administrative or supervisory position at either a school or district site requiring an Administrative Services Credential. Additional information about this credential is available at: www.ctc.ca.gov/credentials/leaflets/cl574c.pdf.

The University is committed to the concept that continuous screening and evaluation are necessary to ensure that candidates who complete a program are well prepared to be effective members of the education profession. Thus candidates may expect to be evaluated on possession of basic skills, personal qualifications and performance factors in addition to completion of required courses.

ADMISSION TO THE CREDENTIAL PROGRAM IS REQUIRED IN THE FIRST SEMESTER OF ENROLLMENT IN COURSES FOR THE ADMINISTRATIVE SERVICES CREDENTIAL.

We welcome your application for admission to our Administrative Services Credential Program. We are sure you will find this experience valuable to your career objectives.

If you have any questions please do not hesitate to contact the Credential Office at (818) 677-2586. We look forward to assisting you in the timely completion of your credential requirements.

APPLICATION - The application form is included in this brochure.

TRANSCRIPTS - Transcripts showing a baccalaureate degree and all post-baccalaureate work. These must be official transcripts, submitted in a sealed envelope. Transcripts from CSU Northridge may be official or unofficial. Arrange for the transcripts to be sent to you by the institution so you can submit them to us as part of your packet. If applying for admission to CSU Northridge for the first time, an additional set of official transcripts will be required for University admission. A grade point average (GPA) of 2.75 in your last 60 units is required for admission to the Credential Program.

RECOMMENDATION - Submit two letters of recommendation from practicing school administrators that indicate you possess administrative and leadership potential.

COPY OF VALID TEACHING OR SERVICES CREDENTIAL - Submit a copy of at least one valid basic teaching or appropriate services credential. For services credentials, please contact the credential office as not all will meet the requirement. The credential must be issued based upon a program of professional preparation and fieldwork.

BASIC SKILLS REQUIREMENT - CBEST or passage of CSET Multiple Subject and CSET Writing. Those candidates who received their California teaching or services credential based upon another state's basic skills exam may use that exam to satisfy their Basic Skills Requirement.

YOU MUST ALSO APPLY TO THE UNIVERSITY - Please note that Credential office forms do not constitute application to the University. A separate application for admission to the University must be submitted to the Office of Admissions and records according to its application schedule if you are not currently enrolled at the University. On-line applications are available at <http://www.csumentor.edu/>

CLEAR ADMINISTRATIVE SERVICES CREDENTIAL PROGRAM

Consult the brochure concerning the Clear Administrative Services Credential Program available in the Credential Office.

ADMINISTRATIVE FIELDWORK

Fieldwork in Educational Administration is the capstone experience in the Preliminary Administrative Services Credential Program. Upon completion of all coursework the student is considered for admission to the fieldwork program. Such admission is contingent upon: achieving a "B" average in all prescribed courses, having the endorsement of the administrator of the school where the candidate is teaching, and being adjudged a desirable administrative candidate by the Department screening committee.

The "Contract" which the sponsoring administrator executes with the Department commits him/her to provide a definite program of administrative experience for the candidate. The evaluation check sheet, also completed by the sponsoring administrator prior to admission to fieldwork, guides the University supervisor in directing the candidate into experiences that will strengthen his/her weaknesses.

Upon successful completion of Administrative Fieldwork and required coursework, the candidate is normally certified by the Department as being eligible to apply for a Preliminary Administrative Services Credential.

CERTIFICATE or CREDENTIAL Request

Within the first few weeks of your final semester of program coursework, students should submit a "Credential Request" form to the Credential Office for a recommendation to the Commission on Teacher Credentialing (CTC) to issue a Certificate of Eligibility. The Credential Request form is available online at www.csun.edu/coe/cred under "forms". The Certificate verifies eligibility for the Preliminary Administrative Services credential upon employment as an administrator. The Certificate of Eligibility does not authorize the holder to perform any service.

The Preliminary Administrative Services Credential will only be recommended by the Credential Office for CTC issuance if you have been offered and accepted employment as an administrator. Please request that the employing agency use form CL-777, "Verification of Employment as an Administrator," to verify that employment. The form includes a "Tentative Plan for Developing the Individualized Induction Plan" which must be completed by the candidate. This form should be included with the Credential Request and submitted to the Credential Office. This form is available online at www.csun.edu/coe/cred under "forms".

Present CTC requirements for the Certificate of Eligibility include:

- Possession of a valid credential approved by the CTC as appropriate for a basic teaching or services credential for the Administrative Services Credential;
- A minimum of three years of successful full-time service on the basic credential by conclusion of program;
- Completion of a program approved by the CTC; and,
- Successful passage of the California Basic Educational Skills Test (CBEST).
- Additional requirements for the Preliminary Administrative Services Credential:

Verification of Employment as an Administrator (form CL-777 available online at www.csun.edu/coe/cred under "forms".)

MASTER'S PROGRAM

Since the Master's program in the Department of Educational Leadership & Policy Studies has the same course requirements as the Preliminary Administrative Services Credential, candidates are encouraged to apply to both programs. Admission to the Master's program is made by separate application directly to the Department of Educational Leadership & Policy Studies.

The Master's and the Credential are separate programs. Admission to one program does not constitute admission to the other program. In addition, successful completion of one program does not indicate waiver of the other program's entrance requirements. Please note that you should apply for admission to the Master's program before you begin taking courses. Failure to apply to the Master's program could result in the additional coursework not being counted toward the Master's Degree.

Please see the Department of Educational Leadership & Policy Studies website at csun.edu. Click on Academic Programs and then, Department of Education Leadership and Policy Studies for more information about the Master's program.

ADVISEMENT

All students must receive academic advisement from the Educational Leadership and Policy Studies graduate coordinator as soon as possible. Credential Advisors are able to assist candidates with general questions about any credential programs. Candidates may see advisors by appointment or by dropping in, or may phone (818) 677-3002 for further information.
